Put your watermark on this charming, fresh and lovingly updated gem. Two homes, one property and multifaceted options as either a profitable investment opportunity or for a family with multi-generational needs. This property is in an elevation of its own with truly the best location - just a cast away from beautiful Gulf Beaches, world-class fishing and in an "X" Flood Zone which Flood Insurance may not be required. Whatever the scenario, this retreat provides the power of choice. Hatch a space that best fits your life. With options, you can't go wrong: · Be generous without sharing square feet - customize your private guest house for visitors, extended flex space for the kids or a spacious home office. · Plan a sanctuary in advance for aging parents or a young adult gaining independence. · Enhance your nest egg with passive income to either supplement expenses or save for the future. Entertain at home surrounded by private, lush landscaping and enjoy a large heated pool and spa that offers a vacation feel with minimal maintenance. Recharge and put your toes in the sand at beautiful Manasota Beach - door to wave - just four minutes away. Elevated living is everything. Literally feet above the others - this oversized property staved high and dry during recent storm systems. No
